To Shareholders and, for information only, to the participants in the Randall & Quilter Long Term Incentive Plan

Dear Shareholder,

Notice of Annual General Meeting and Proposed Return of Capital to Shareholders of 5 pence per Ordinary Share

1. INTRODUCTION

This circular serves two purposes: first it provides a trading update and confirms a proposed return of cash to the Shareholders; second it contains notice that the Company's 2015 Annual General Meeting will be held at 2 Minster Court, 8th Floor, London EC3R 7BB at 3.00 p.m. on 28 July 2015.

Shareholders should read the whole of this document and not just rely on the summarised information set out in this Part 1.

2. TRADING UPDATE

We expect a much improved full year result in 2015 compared with 2014.

Our run-off entities are generally performing satisfactorily, and we are working on a strong legacy and run-off acquisition pipeline, though completion of these transactions is not expected until the second half of 2015. Coupled with the fact that our service businesses have a customary income bias in the latter part of the year, this will mean that the Group's profit will likely emanate in the second half of the year. However, considerably more progress has already been achieved towards meeting our year end goal than was the case at the equivalent stage in 2014.

Investment markets have been generally favourable in the year to date for our type of investment portfolio, with its focus on floating rate structured credit, though yields remain low.

Syndicate 1991 premium continues to build although a lot more slowly than we originally anticipated. However, there are some positive signs of good business retention rates and continuing new business flows, leading to more substantial levels of business being bound.

We continue to see new business growth in UK services with further broker run-off opportunities arising. We have been refining our strategy, and have closed down the non-performing parts of our US services operations. We have sold our marine MGA to Hiscox at an attractive premium to book value, but continue to support the growth of our remaining MGA units, Commercial Risk Services and Synergy Insurance Services.

We look to the future with confidence after a challenging year financially during 2014. We benefit from a strong legacy transaction pipeline, a newly streamlined service operation in the US and further opportunity to grow fee income in our Underwriting Management Division.

The focus will be firmly on growing tangible book value and resuming the annual increases in cash distributions to shareholders.

Part 1 Letter from the Chairman of Randall & Quilter continued

3. RETURN OF CAPITAL

In previous years, the Company has effected returns of value to its shareholders through the issue of two classes of shares. This structure allowed shareholders to elect to receive their Return of Capital as either a dividend payment or a return of capital.

Following changes introduced by the Finance Act 2015, it is no longer practical to offer this alternative. As such, the Company is not asking Shareholders to make an election as to the shares to be issued to them and will not declare or pay a dividend. Instead, the Company proposes to complete its distributions in respect of the year ended 31 December 2014 through the creation of the T Shares and the Reduction of Capital.

The Company may choose to make future returns of capital or ordinary dividend payments, in line with its stated distribution policy.

Implementation of the Return of Capital

The implementation of the Return of Capital involves a number of steps, which are all subject to approval of Shareholders at the Annual General Meeting. Shareholders should note that the Return of Capital involves the reduction of the Company's share capital by way of the Reduction of Capital.

Subject to the passing of the RoC Resolution:

- T Shares will be created in the unallocated capital of the Company. The T Shares will entitle their holders to receive the Capital Repayment.
- Each Shareholder will be issued one T Share for each Ordinary Share held by them at the Record Time at 6.00 p.m. on 3 August 2015 (or such time and date as the Directors may determine).
- The Company will cancel the T Shares at 6.01 p.m. on 3 August 2015 (or such time and date as the Directors may determine).
- The Capital Repayment will be paid in respect of the T Shares (with the cash proceeds expected to be sent on or around 10 August 2015).

Further details of the steps required to implement the Return of Capital are set out in Part 2 of this document.

RoC Resolution

You will find set out in Part 5 of this document a notice convening the Annual General Meeting of the Company to be held at 2 Minster Court, 8th Floor, London EC3R 7BB at 3.00 p.m. on 28 July 2015. The business to be considered at the Annual General Meeting is set out in the notice.

At the Annual General Meeting the RoC Resolution to approve the Return of Capital will be proposed as Resolution 8.

The RoC Resolution will be passed if at least 75 per cent. of the votes cast (whether in person or by proxy) are in favour. Pursuant to the RoC Resolution, Shareholders are asked to, amongst other things:

- (i) approve the creation of the T Shares;
- (ii) authorise the Directors to:
 - (a) capitalise a sum not exceeding £3,596,667 standing to the credit of the Company's share premium account to pay up in full the T Shares; and
 - (b) allot and issue the T Shares up to an aggregate nominal amount of £3,596,667 to Shareholders on the basis of one T Share for each Ordinary Share held at the Record Time. The authority granted to the Directors will expire on 31 August 2015; and
- (iii) approve the reduction of the share capital of the Company by the cancellation of, and repayment of capital paid up on, the T Shares.

4. ANNUAL GENERAL MEETING

The formal notice of the Annual General Meeting and the resolutions to be proposed at the meeting are set out in Part 5 of this document.

Resolutions 1 to 7 constitute the usual business conducted at the Company's Annual General Meeting. Resolutions 1 to 6 are proposed as ordinary resolutions and resolution 7 will be proposed as a special resolution. Further details on these resolutions are set out below.

Resolution 8 is the RoC Resolution and will be proposed as a special resolution. Further details of the Return of Capital are set out in Part 2.

Resolution 1: Accounts and Directors' Report

Resolution 1 is a resolution to receive and adopt the accounts and to receive the Directors' reports for the year ended 31 December 2014.

Resolutions 2 and 3: Re-appointment of Directors

Kenneth Randall and Alastair Campbell shall stand for re-election. The directors have not utilised the further authority conferred on them at the last Annual General Meeting to allot shares and therefore do not propose to all retire and stand for re-election.

Directors' Biographies for the purposes of Resolutions 2 and 3:

Ken Randall is a Certified Accountant and has worked in the insurance industry for almost 40 years. During the early 1980s Ken was Head of Regulation at Lloyd's which was then a self-regulated institution. From 1985 until 1991 Ken served as Chief Executive of the Merrett Group, which managed a number of prominent syndicates at Lloyd's.

In 1991 Ken left Merrett to set up his own business in partnership with Alan Quilter. Over the next 8 years they developed the Eastgate Group into the UK's largest third party provider of insurance services with 1,300 employees and a turnover of over £90m per annum. Eastgate was sold to Capita plc in November 2000.

Following the sale of Eastgate, Ken and Alan refocused Randall & Quilter onto the acquisition of non-life legacy run-off portfolios. Following the expiry of non-competition agreements Randall & Quilter again developed an insurance servicing business in London and the US; initially the Group's service offering focused on legacy portfolios.

Kenneth Randall **Group Chairman and Chief Executive Officer (67)**

In recent years, Randall & Quilter has expanded its range of services to include captive management and underwriting management. The Group is one of the ten largest "captive" managers in the world with clients in a number of jurisdictions including Bermuda, Gibraltar, Norway, Guernsey and the US.

Randall & Quilter's Managing Agency is responsible for two Lloyd's syndicates; Syndicate 1991 underwrites live business and Syndicate 3330 specialises in the management of Lloyd's portfolios in run-off. Randall & Quilter is also a fully accredited Lloyd's Turnkey Syndicate Manager. Syndicate 1991 is supported by natural names, industry capital and Randall & Quilter itself.

Randall & Quilter also owns UK based MGA's specialising in personal lines for high net worth clients and general insurance for small and medium business enterprises. Capacity for the MGA's is provided by a number of Lloyd's syndicates and insurance companies.

In 2007 Ken presided over the Group's admission to AIM, part of the London Stock Exchange. The IPO raised over £30m from institutional investors. Ken remains a principal shareholder, Chairman and CEO of the Group.

Alastair Campbell **Non-Executive Director (70)**

Alastair Campbell qualified as a Chartered Accountant in 1968. After qualifying he worked with PKF Littlejohn LLP, becoming a partner in 1970. Between 1984 and 1998 he acted as the Senior Partner and Chairman of the firm.

During his 40 years as a partner he acted for a wide range of commercial entities, mainly in the service sector. Throughout his career he has been involved in the London insurance market and has extensive experience in the non-life insurance industry, acting

for insurers, brokers and agents as auditor and adviser. Following his retirement in 2010 he has worked as a consultant and expert witness on a number of accounting related projects.

For 20 years Alastair was a member of the Insurance Industries Sub-Committee of the Institute of Chartered Accountants in England and Wales, which considers all aspects of accounting, auditing and reporting of insurance entities.

Part 1 Letter from the Chairman of Randall & Quilter continued

Resolutions 4 and 5:

Auditors

Resolution 4 recommends the re-appointment of PKF Littlejohn LLP as auditors to the Company and resolution 5 proposes that the Audit Committee be authorised to fix their remuneration.

Resolutions 6 and 7:

Authorities to allot shares and disapplication of pre-emption rights

Despite the Company no longer being subject to UK company law, the Directors consider it appropriate to confirm that they intend to give due regard to the Share Capital Management Guidelines issued by The Investment Association in July 2014.

As at 31 December 2014, the Company's issued share capital comprised 71,675,890 Ordinary Shares, of which 100,190 were held in treasury. As at 26 June 2015 (being the latest practicable date prior to the publication of this document) the Company's issued share capital comprised 71,798,339 Ordinary Shares, of which none were held in treasury.

Under the Companies Act 1981 of Bermuda (the "Bermuda Act") and the Company's Bye-laws, the Directors of the Company are not permitted to allot shares (or grant certain rights over shares) unless authorised to do so by shareholders.

Resolution 6 proposes that the Directors be granted authority to allot new shares and other relevant securities, up to a nominal value of £478,655.60 (being 23,932,780 Ordinary Shares of 2 pence each), which is equivalent to approximately one third of the total issued ordinary share capital of the Company.

The authority in sub-paragraph (1) of resolution 6 will allow the Directors to allot shares or grant rights to subscribe for, or convert, any security into shares up to a nominal value of £478,655.60 (being 23,932,780 Ordinary Shares of 2 pence each), which is equivalent to approximately one third of the total issued ordinary share capital of the Company, exclusive of shares held in treasury, as at 26 June 2015, being the latest practicable date before publication of this document.

The authority in sub-paragraph (2) of resolution 6 will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or convert, any security into shares up to a further nominal value of £478,655.60 (being 23,932,780 Ordinary Shares of 2 pence each), but only in connection with a rights issue, making a total authority to allot up to two thirds of the total issued ordinary share capital of the Company, exclusive of shares held in treasury, as at 26 June 2015, in connection with a rights issue.

A special resolution (resolution 7) is also to be proposed to renew the Directors' authority to allot ordinary shares for cash without first offering them pro-rata to existing shareholders. This authority also covers, within the aggregate limit, the sale of treasury shares for cash.

If approved, this authority will be limited (other than in the case of a rights issue as set out in resolution 6) to ordinary shares of up to a nominal value of £71,799 equivalent to 5% of the total issued ordinary share capital of the Company excluding shares held in treasury as at 26 July 2015, being the latest practicable date before publication of this document. In the case of a rights issue, the Directors will be authorised to allot ordinary shares, or sell treasury shares, pursuant to the authority in sub-paragraph (2) of resolution 6, for cash, without the shares being first offered to existing shareholders in proportion to their existing holdings.

Apart from issues or transfers of ordinary shares that are held in treasury pursuant to the terms of the Company's employee share plans, the Directors have no present intention of utilising these authorities. The Directors, however, consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond, in the interests of promoting the success of the Company, to market developments and appropriate opportunities as they arise.

These authorities will expire on the date of the Annual General Meeting to be held in 2016 or on 28 July 2016, whichever is the earlier.

Despite the Company no longer being subject to UK company law, the Directors consider it appropriate to confirm that it is their intention to continue to follow the provisions of the Pre-Emption Group's 2015 Statement of Principles not to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three year period without prior consultation with shareholders.

Resolution 8:

RoC Resolution

The RoC Resolution will be proposed to approve the Return of Capital. Details are set out in Part 2 of this document.

7. RECOMMENDATION

The Board considers the Resolutions 1 to 8 inclusive, including the terms of the Return of Capital, to be in the best interests of Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Resolutions as the Directors and their connected persons intend to do or procure that their nominee(s) do in respect of their own beneficial holdings amounting to 23,620,689 Ordinary Shares and/or Depository Interests in aggregate, representing approximately 32.89 per cent. of the current issued share capital of the Company (excluding shares held in treasury).

Yours faithfully

Kenneth Randall
Chairman

Part 2 Details of the Return of Capital

1 INTRODUCTION

This Part 2 provides background and detail to the Return of Capital.

2 RETURN OF CAPITAL

2.1 Conditions to the implementation of the Return of Capital

The return of cash pursuant to the Return of Capital is conditional on the passing of the RoC Resolution at the Annual General Meeting.

2.2 Capital Reorganisation

Issue of T Shares

It is proposed to capitalise a sum not exceeding £3,596,667 standing to the credit of the Company's share premium account which will be applied in paying up in full up to an aggregate maximum of 71,933,339 T Shares to be allotted to Shareholders on the basis of one T Share for each Ordinary Share held at the Record Time (whether in certificated form or in the form of Depository Interests).

The exact number of T Shares to be issued will be equal to the number of Ordinary Shares in issue at the Record Time. As at 26 June 2015 (being the latest practicable date prior to the publication of this document) there were 71,798,339 Ordinary Shares in issue. As at 26 June 2015 (being the latest practicable date prior to the publication of this document) there were 135,000 currently exercisable options under the Randall & Quilter Long Term Incentive Plan and other option arrangements, giving a potential fully diluted share capital at the Record Time of 71,933,339 Ordinary Shares.

The exact amount to be capitalised will depend on the number of options exercised prior to the Record Time, but will not exceed £3,596,667.

The rights and restrictions to be attached to the T Shares are more fully set out in Part 3 of this document. No application has been, or will be, made for the T Shares to be listed or admitted to trading on AIM or any other investment exchange or trading platform. The Company will announce the exact number of T Shares issued under the proposed Capital Reorganisation by the date on which the Reduction of Capital becomes effective.

Reduction of Capital

The implementation of the Reduction of Capital is subject to the approval of the Shareholders at the Annual General Meeting.

2.3 The Capital Repayment

Shareholders will receive one T Share for each corresponding Ordinary Share they hold (whether in certificated form or in the form of a Depository Interest) at the Record Time.

Each T Share will be cancelled pursuant to the Reduction of Capital and the holders of such shares will be entitled to receive the Capital Repayment of 5 pence for each T Share so cancelled.

The T Shares will not be listed or admitted to trading on AIM or any other investment exchange or trading platform and cannot be held in CREST. No share certificates will be issued in respect of the T Shares issued pursuant to the Capital Repayment.

Shareholders entitled to receive the Capital Repayment will be sent cheques or receive a credit to their CREST accounts on or around 10 August 2015.

The rights and restrictions to be attached to the T Shares are more fully set out in Part 3 of this document. The attention of non-United Kingdom Shareholders is drawn to paragraph 3 of this Part 2.

3 NON-UNITED KINGDOM SHAREHOLDERS

Non-United Kingdom Shareholders should consult their professional advisers to ascertain whether the Return of Capital (including, as may be relevant in each case, the creation, holding or cancellation of the T Shares) will be subject to any restrictions or require compliance with any formalities imposed by the laws or regulations of, or any body or authority located in, the jurisdiction in which they are resident or to which they are subject. In particular, it is the responsibility of any non-United Kingdom Shareholder to satisfy himself as to full observance of the laws of each relevant jurisdiction in connection with the Return of Capital, including the obtaining of any government, exchange control or other consents which may be required, or the compliance with other necessary formalities needing to be observed and the payment of any issue, transfer or other taxes or duties in such jurisdiction.

The distribution of this document in certain jurisdictions may be restricted by law. Persons into whose possession this document comes should inform themselves about and observe any such restrictions. Neither this document nor any other document issued or to be issued by or on behalf of the Company in connection with the Return of Capital constitutes an invitation, offer or other action on the part of the Company in any jurisdiction in which such invitation, offer or other action is unlawful.

The above provisions of this paragraph relating to non-United Kingdom Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Directors in their absolute discretion.

4 RANDALL & QUILTER LONG TERM INCENTIVE PLAN

Under the Long Term Incentive Plan, the Company has granted options to selected employees to acquire varying numbers of Ordinary Shares at varying exercise prices.

Participants in the Long Term Incentive Plan will not, by virtue of their participation, receive any Return of Capital but if they are also Shareholders they will do so as Shareholders.

Under the terms of the Long Term Incentive Plan, the Directors have discretion to make such adjustment to the number of Ordinary Shares to which the option(s) apply or to the exercise price of the options following an alteration in the Company's share capital by way of a capitalisation. In view of the nature of the Return of Capital and the fact that holders of options would not be entitled to receive any dividends paid by the Company, the Directors do not expect to exercise this discretion to make any adjustment to options granted under the Long Term Incentive Plan. Holders of options are therefore expected to hold the same number of shares under their options at the same exercise price following the Return of Capital as they did before.

5 DEALINGS AND DESPATCH OF DOCUMENTS

The Return of Capital will be made by reference to holdings of Ordinary Shares held in certificated form recorded on the Company's register of members, and holdings of Depositary Interests on the Company's register of Depositary Interests, at the Record Time.

No share certificates will be issued by the Company in respect of T Shares.

Shareholders entitled to receive the Capital Repayment are expected to be sent cheques or receive a credit to their CREST account on or around 10 August 2015.

All documents and cheques will be sent by, to, from or on behalf of a Shareholder will be sent entirely at the risk of the Shareholder entitled to them. Documents sent to Shareholders will be sent to the registered address of the first named Shareholder.

Subject to any instructions to the contrary, dividend payment mandates in respect of holdings of Ordinary Shares and Depositary Interests will continue to apply.

6 TAX TREATMENT OF RETURN OF CAPITAL

The proceeds received under the Capital Repayment should generally be taxed as capital for UK tax purposes. However, any tax liability that may arise may vary between Shareholders depending on individual circumstances.

Shareholders who are in any doubt as to their tax position should consult their independent professional adviser.

Part 3 Rights and Restrictions Attached to the T Shares

The following summarises the rights and restrictions to attach to the T Shares proposed to be created to effect the Return of Capital. The full text of the rights and restrictions that will attach to the T Shares are set out in the T Share Schedule which may be found at www.rqih.com. 1.4.3 Without prejudice to the foregoing, the Company is authorised to reduce (or purchase shares in) its capital of any class or classes and such reduction (or purchase) shall not involve a variation of any rights attaching to the T Shares for any purpose or require the consent of the holders of the T Shares.

1.4.4 If at any time a currency other than sterling is accepted as legal tender in the United Kingdom in place of or in addition to sterling, the Directors shall be entitled, without the consent of the holders of Ordinary Shares or T Shares, to make such arrangements and adjustments in respect of the method of calculation and payment of any entitlements of holders of T Shares as the Directors consider necessary, fair and reasonable in the circumstances to give effect to the rights of the T Shares. Any such arrangements and adjustments shall not involve a variation of rights attaching to the T Shares for any purpose.

In the event that the T Shares have not been cancelled pursuant to the Return of Capital by 5.00 p.m. on 31 August 2015, each issued T Share shall immediately, automatically and without further action on the part of the Company, convert into one Deferred Share having the rights described in paragraph 2 below.

For the purposes of this resolution "**rights issue**" means an offer to: a) ordinary shareholders in proportion (as nearly as may be practicable) to their respective holdings; and (b) people who are holders of other equity securities if this is required by the rights of those securities or, if the directors consider it necessary, as permitted by the rights of those securities, to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment
